BOX 107111 JUNEAU

DISTRICT OFFICE BOX 263 - HAINES

August 15, 1966

Robert E. Willey
Willey-Morris Logging Company
Haines, Alaska 99827

Dear Mr. Willey:

On this date, August 15, 1966 you presented this office with a letter requesting permission to remove logs from Chilkoot Lake from a point within the confines of the Chilkoot Lake Campground which is administered by this office.

You are hereby granted permission to remove logs from Chilkoot Lake at the boat landing and turnaround at the end of the Chilkoot Lake road subject to conditions set forth below.

1. Only one raft shall be tied up at the boat landing at one time or during the time allotted for removal of a raft.
2. All logs in the raft shall be removed from the lake, loaded on trucks, and hauled away within a time limit set by the State.
3. All boom sticks shall be removed from the lake and hauled away unless they are transported back to the head of the lake for reuse within the established time limit.
4. The time limit for removal of each raft shall be established by the State and the time limit for any one (1) raft shall not exceed four (4) days or 96 hours.
5. Rafts shall not be tied up at the boat landing and logs shall not be removed from the lake on Saturdays, Sundays, or regular holidays.
6. After the removal of each raft of logs from the lake the area at the boat landing and end of the road shall be cleared of all debris from the logs and other debris resulting from the log removal operation in anyway.
7. The boat landing, parking area, roads, and the rest of the immediate area shall be maintained in the condition the area was in at the time this permit was issued.

8. Operations of the permittee adjacent to salmon streams, important fishing waters, or tributaries thereof shall be so conducted as to avoid causing stream silting, and shall not be permitted to interfere with the passage of salmon to their spawning grounds or to injure the spawning grounds.
9. The permittee shall comply with all applicable laws and regulations of the State of Alaska. Such laws and regulations shall have the force of any other provision of this permit and violation shall be cause for termination of this permit in addition to any penalties prescribed by law.
10. The permittee shall furnish the State with a performance bond in the amount of \$1000.00, to insure performance of the conditions and requirements specified in this permit.
11. The Permittee shall contact the District Forester at least twenty-four (24) hours prior to tying up any and each raft at the boat landing. At this time the date on which the raft will be tied up and the time limit for removal of the raft shall be established.
12. Failure to comply with any of the conditions of this permit shall result in immediate remedial action by the State at the permittees expense and/or in cancellation of this permit.
13. This permit shall be valid on September 1, 1966 and shall remain in affect for a period of four (4) months, until December 31, 1966 or until the State notifies the permittee in writing that this permit is terminated or revoked.

Very truly yours,
